

WDV-18

18 GALLON WET / DRY VACUUM

PURPOSE BUILT® WITH 70 YEARS OF AMERICAN INNOVATION

Simple innovation and construction flows through Pacific's new lineup, and brings new ingenuity to the industry's most helpful tool. With our intuitive tilt-to-drain feature, Pacific's new wet/dry vacuum is Purpose Built® to be a step above the rest.

- A** Opportune tilt-to-drain feature! Easily empty the tank when a floor drain is not available .
- B** Convenient cord wrap on the vac handle. No more missing cords - keep it all in sight!
- C** Safe & simple to use lever to engage squeegee head.
- D** Easy to change squeegee - two usable edges per blade, and you can change it without tools! Plus, it can breakaway with impact. We've got you covered.

GENUINE SERVICE PARTS PURPOSE BUILT™ TO PROVIDE MAX PERFORMANCE

Why buy a copy when you can get the original parts – the ones actually used in the machine's original design work the best. Not only do you get maximum performance, but you also reduce hassle and downtime. Be sure to contact Pacific Floorcare or a local authorized distributor when you need authentic service parts.
